**DRAW INFORMATION**

- Each Friday the matches start at 9:30am at CTC. This competition will be 15 weeks in length including the final. Play will continue each Friday except for school holidays and in the event of rain.
- **The BYE: You are NOT required to play when your team has a bye. But we will contact you if we need you to play as a reserve in another match.**
- In the case of extreme hot weather and you want to try to start your match earlier you need to contact your opponent. If your opponent cannot start earlier then you must start at the scheduled time of 9:30 am. Please note that there may be free courts this comp that can be used (if not booked) - so both singles sets may be able to be played at the same time if desired. (First in first served.) You will need to come into the pro-shop and get two good used balls to play with if using two courts.
- After the nine weeks of play (when every pair has played each other) the points will be tallied and the top five teams and bottom four teams will be divided into two groups and a new draw given.
- All teams keep their points and any new points won will be added onto the original total.
- A final will be played between the two teams with the most points after 14 weeks of play while all other teams will play-off for positions.
- In the case of wet weather you will receive a text message from Neil if matches are washed out. The round will then be played the following week.
- Last match for this year will be on **Friday 7th December**.
- First match in the new year will be on **Friday 1st February 2018**.
